

STAFF HEALTH

As a condition of employment every new employee of the School Board shall submit a certificate signed by a licensed physician, registered nurse, nurse practitioner, or physician assistant stating the employee appears free of communicable tuberculosis. Volunteers and student teachers may be required to provide such a certificate.

After consulting with the local health director, the School Board may require the submission of such certificates annually, or at such intervals as it deems appropriate, as a condition to continued employment.

Physical Exams for School Bus Drivers

No person shall be employed as a bus driver unless he or she has a physical exam of the scope required by the Board of Education and provides the School Board the results of the exam on the form prescribed by the Board of Education. Such exam and report may be provided by a licensed physician, physician assistant, or nurse practitioner.

The School Board may also require alcohol and drug testing in accordance with Policy GDQ School Bus Drivers.

Cafeteria Employees

All school cafeteria employees shall abide by all regulations governing health examinations as may be required by the Madison County Health Department and the Virginia Department of Health.
